

Farm Insurance Package

FIS Insurance Services offers insurance packages tailored to suit all types and sizes of farms, from small hobby farms to large commercial operations.

Farm Insurance combines many different sections of cover to make a package. These include:

- Theft
- Farm Property
- Domestic Buildings & Contents
- Farm Machinery & Working Dogs
- Hay, Fencing, Livestock & Farm Trees
- Road Transit
- Personal Income
- Business Liability
- Business Interruption
- Machinery Breakdown

Why is FIS Insurance Services right for you and your business?

We provide both a combination of excellent service, expert claims handling and tailored insurance products that meet the needs of our clients. We work with our clients to provide a risk protection solution for their business and assets.

Domestic Buildings & Contents Choose from Listed Events, the low-cost option, that protects against certain events like fire, storm, explosion, earthquake, impact, malicious damage and burglary. Or Accidental Damage which protects against all Listed Events as well as any other event not specifically excluded. You also have the benefit of new for old replacement cover for your farm dwelling.

Farm Property Covers farm buildings and contents, plus farm improvements like windmills, free-standing silos and underground utilities. Cover is also available for specified items such as CB radios, mobile phones, computers and fax machines anywhere in Australia.

Farm Machinery & Working Dogs Machinery covered against fire, storm, impact explosion and malicious acts of other people. Cover also available for working dogs.

Theft Farm machinery including towed implements kept in a shed are included. You can elect to insure self-propelled machinery, as well as specified items such as CB radios, mobile phones, computers and fax machines Australia-wide. Theft also includes damage to farm buildings and employees property.

Hay, Fencing, Livestock & Farm Trees Disposal of dead livestock and removal of fencing debris are among the valuable extras in this section. Cover also available for farm trees used for windbreaks, shade or to prevent erosion.

Business Interruption Following damage to business contents, farm property, machinery, hay, livestock or pastures, you may face extra costs to maintain your business including farm planning costs. You can also insure against loss of income from agistment.

Business Liability Cover against injury to others or damage to their property. This may be caused by the use of unregistered vehicles and farm machinery, straying stock, the escape of fire or property in physical or legal control (limits apply).

Machinery Breakdown Insure machinery or selected items of machinery against electrical, electronic and mechanical breakdown. Provides automatic cover for contamination of milk and optional cover for refrigerated goods.

Personal Income Provide you with an income, should you have an accident or become ill and are unable to work. Choose from Accident only cover or Accident and Illness.

Road Transit Protects your livestock, produce, general farm goods and machinery against damage by fire, flood and collision while travelling by road. Also protected against theft from a vehicle, if it is securely locked.
